**LINEAR/END-WORKING MACHINES**

# LINEAR-FLEX

EN

CNC linear transfer machines for end-working of parts up to 2 000 mm length.

Bar length up to 6 meters (with diameters as small as  $\varnothing 6$  mm) thanks to a bundle bar loader patented by Buffoli.

IT

Macchine transfer CNC lineari specificamente progettate per pezzi lunghi (fino a 2 000 mm).

Lunghezza barre fino a 6 metri (persino con diametro 6 mm) grazie a un caricatore delle barre a fascio brevettato da Buffoli.

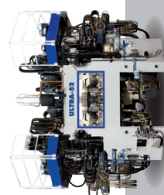

DE

Lineare CNC-Transfermaschinen speziell für lange Teile (bis 2 000 mm) konzipiert.

Stangenlänge bis 6 Meter (sogar bei Durchmesser 6 mm), dank eines von Buffoli patentierten Bündel-Stangenladern.
